9. "Expiration Date" means the earliest of (i) May 1, 2021, (ii) the repeal of Section 382 of the Code or any successor statute if the Board of Directors determines that this Article XIV is no longer necessary or desirable for the preservation of Tax Benefits, (iii) the close of business on the first day of a taxable year of the Corporation as to which the Board of Directors determines that no Tax Benefits may be carried forward or (iv) such date as the Board of Directors shall fix in accordance with Section (L) of this Article XIV.
10. "Percentage Stock Ownership" means the percentage Stock Ownership interest of any Person or group (as the context may require) for purposes of Section 382 of the Code as determined in accordance with Treas. Reg. § 1.382-3(a)(1) or who are otherwise treated as an "entity" within the meaning of Treas. Reg. § 1.382-3(a)(1), and shall include any successor (by merger or otherwise) of any such entity or group.
12. "Prohibited Distributions" means any and all dividends or other distributions paid by the Corporation with respect to any Excess Securities received by a Purported Transferee.
13. "Prohibited Transfer" means any Transfer or purported Transfer of Corporation Securities to the extent that such Transfer is prohibited and/or void under this Article XIV.

For the avoidance of doubt, a Transfer shall not include the creation or grant of an option by the Corporation, nor shall a Transfer include the issuance of Stock by the Corporation.

21. “Transferee” means any Person to whom Corporation Securities are Transferred.

22. “Treasury Regulations” or “Treas. Reg.” means the regulations, including temporary regulations or any successor regulations, promulgated under the Code, as amended from time to time.

(B) TRANSFER AND OWNERSHIP RESTRICTIONS. In order to preserve the Tax Benefits, from and after the Effective Date of this Article XIV any attempted Transfer of Corporation Securities prior to the Expiration Date and any attempted Transfer of Corporation Securities pursuant to an agreement entered into prior to the Expiration Date shall be prohibited and void *ab initio* to the extent that, as a result of such Transfer (or any series of Transfers of which such Transfer is a part), either (i) any Person or Persons would become a 4.99-percent Stockholder or (ii) the Percentage Stock Ownership in the Corporation of any 4.99-percent Stockholder would be increased. The prior sentence is not intended to prevent Corporation Securities from being DTC-eligible and shall not preclude the settlement of any transaction in Corporation Securities entered into through the facilities of a national securities exchange; *provided, however*, that the Corporation Securities and parties involved in such transaction shall remain subject to the provisions of this Article XIV in respect of such transaction.

(C) EXCEPTIONS.

1. Notwithstanding anything to the contrary herein, Transfers to a Public Group (including a new Public Group created under Treas. Reg. § 1.382-2T(j)(3)(i)) shall be permitted.

2. The restrictions set forth in Section (B) of this Article XIV shall not apply to an attempted Transfer that is a 4.99-percent Transaction if the transferor or the Transferee obtains the written approval of the Board of Directors or a duly authorized committee thereof. As a condition to granting its approval pursuant to this Section (C) of this Article XIV, the Board of Directors may, in its discretion, require (at the expense of the transferor and/or Transferee) an opinion of counsel selected by the Board of Directors that the Transfer shall not result in a limitation on the use of the Tax Benefits as a result of the application of Section 382 of the Code; *provided* that the Board of Directors may grant such approval notwithstanding the effect of such approval on the Tax Benefits if it determines that the approval is in the best interests of the Corporation. The Board of Directors may grant its approval in whole or in part with respect to such Transfer and may impose any conditions that it deems reasonable and appropriate in connection with such approval, including, without limitation, restrictions on the ability of any Transferee to Transfer Stock acquired through a Transfer. Approvals of the Board of Directors hereunder may be given prospectively or retroactively. The Board of Directors, to the fullest extent permitted by law, may exercise the authority granted by this Article XIV through duly authorized officers or agents of the Corporation. Nothing in this Section (C) of this Article XIV shall be construed to limit or restrict the Board of Directors in the exercise of its fiduciary duties under applicable law.

(D) EXCESS SECURITIES.

1. No employee or agent of the Corporation shall record any Prohibited Transfer, and the purported transferee of such a Prohibited Transfer (the "Purported Transferee") shall not be recognized as a stockholder of the Corporation for any purpose whatsoever in respect of the Corporation Securities which are the subject of the Prohibited Transfer (the "Excess Securities"). The Purported Transferee shall not be entitled, with respect to such Excess Securities, to any rights of stockholders of the Corporation, including, without limitation, the right to vote such Excess Securities and to receive dividends or distributions, whether liquidating or otherwise, in respect thereof, if any, and the Excess Securities shall be deemed to remain with the transferor unless and until the Excess Securities are transferred to the Agent pursuant to Section (E) of this Article XIV or until an approval is obtained under Section (C) of this Article XIV. After the Excess Securities have been acquired in a Transfer that is not a Prohibited Transfer, the Corporation Securities shall cease to be Excess Securities. For this purpose, any Transfer of Excess Securities not in accordance with the provisions of this Section (D) or Section (E) of this Article XIV shall also be a Prohibited Transfer.

2. The Corporation may require as a condition to the registration of the Transfer of any Corporation Securities or the payment of any distribution on any Corporation Securities that the proposed Transferee or payee furnish to the Corporation all information reasonably requested by the Corporation with respect to its direct or indirect ownership interests in such Corporation Securities. The Corporation may make such arrangements or issue such instructions to its stock transfer agent as may be determined by the Board of Directors to be necessary or advisable to implement this Article XIV, including, without limitation, authorizing such transfer agent to require an affidavit from a Purported Transferee regarding such Person's actual and constructive ownership of Stock and other evidence that a Transfer will not be prohibited by this Article XIV as a condition to registering any transfer.

(E) TRANSFER TO AGENT. If the Board of Directors determines that a Transfer of Corporation Securities constitutes a Prohibited Transfer, then, upon written demand by the Corporation sent within thirty days of the date on which the Board of Directors determines that the attempted Transfer would result in Excess Securities, the Purported Transferee shall transfer or cause to be transferred any certificate or other evidence of ownership of the Excess Securities within the Purported Transferee's possession or control, together with any Prohibited Distributions, to an agent designated by the Board of Directors (the "Agent"). The Agent shall thereupon sell to a buyer or buyers, which may include the Corporation, the Excess Securities transferred to it in one or more arm's-length transactions (on the public securities market on which such Excess Securities are traded, if possible, or otherwise privately); *provided, however*, that any such sale must not constitute a Prohibited Transfer and *provided, further*, that the Agent shall effect such sale or sales in an orderly fashion and shall not be required to effect any such sale within any specific time frame if, in the Agent's discretion, such sale or sales would disrupt the market for the Corporation Securities or otherwise would adversely affect the value of the Corporation Securities. If the Purported Transferee has resold the Excess Securities before receiving the Corporation's demand to surrender Excess Securities to the Agent, the Purported Transferee shall be deemed to have sold the Excess Securities for the Agent, and shall be required to transfer to the Agent any Prohibited Distributions and proceeds of such sale, except to the extent that the Corporation grants written permission to the Purported Transferee to retain a portion of such sale proceeds not exceeding the amount that the Purported Transferee would have received from the Agent pursuant to Section (F) of this Article XIV if the Agent rather than the Purported Transferee had resold the Excess Securities.

(F) APPLICATION OF PROCEEDS AND PROHIBITED DISTRIBUTIONS. The Agent shall apply any proceeds of a sale by it of Excess Securities and, if the Purported Transferee has previously resold the Excess Securities, any amounts received by it from a Purported Transferee, together, in either case, with any Prohibited Distributions, as follows: (i) first, such amounts shall be paid to the Agent to the extent necessary to cover its costs and expenses incurred in connection with its duties hereunder; (ii) second, any remaining amounts shall be paid to the Purported Transferee, up to the amount paid by the Purported Transferee for the Excess Securities (or the fair market value at the time of the Transfer, in the event the purported Transfer of the Excess Securities was, in whole or in part, a gift, inheritance or similar Transfer) which amount (or fair market value) shall be determined at the discretion of the Board of Directors; and (iii) third, any remaining amounts shall be paid to one or more organizations selected by the Board of Directors which is described under Section 501(c)(3) of the Code (or any comparable successor provision) and contributions to which are eligible for deduction under each of Sections 170(b)(1)(A), 2055 and 2552 of the Code. The Purported Transferee of Excess Securities shall have no claim, cause of action or any other recourse whatsoever against any transferor of Excess Securities. The Purported Transferee's sole right with respect to such shares shall be limited to the amount payable to the Purported Transferee pursuant to this Section (F) of this Article XIV. In no event shall the proceeds of any sale of Excess Securities pursuant to this Section (F) of this Article XIV inure to the benefit of the Corporation or the Agent, except to the extent used to cover costs and expenses incurred by Agent in performing its duties hereunder.

(G) MODIFICATION OF REMEDIES FOR CERTAIN INDIRECT TRANSFERS. In the event of any Transfer that does not involve a transfer of Corporation Securities within the meaning of Delaware law but that would cause a 4.99-percent Stockholder to violate a restriction on Transfers provided for in this Article XIV, the application of Sections (E) and (F) of this Article XIV shall be modified as described in this Section (G) of this Article XIV. In such case, no such 4.99-percent Stockholder shall be required to dispose of any interest that is not a Corporation Security, but such 4.99-percent Stockholder and/or any Person whose ownership of Corporation Securities is attributed to such 4.99-percent Stockholder (such 4.99-percent Stockholder or other Person, a "Remedial Holder") shall be deemed to have disposed of and shall be required to dispose of sufficient Corporation Securities (which Corporation Securities shall be disposed of in the inverse order in which they were acquired) to cause such 4.99-percent Stockholder, following such disposition, not to be in violation of this Article XIV. Such disposition shall be deemed to occur simultaneously with the Transfer giving rise to the application of this provision, and such number of Corporation Securities that are deemed to be disposed of shall be considered Excess Securities and shall be disposed of through the Agent as provided in Sections (E) and (F) of this Article XIV, except that the maximum aggregate amount payable to a Remedial Holder in connection with such sale shall be the fair market value of such Excess Securities at the time of the purported Transfer. A Remedial Holder shall not be entitled, with respect to such Excess Securities, to any rights of stockholders of the Corporation, including, without limitation, the right to vote such Excess Securities and to receive dividends or distributions, whether liquidating or otherwise, in respect thereof, if any, following the time of the purported Transfer. All expenses incurred by the Agent in disposing of such Excess Stock shall be paid out of any amounts due such 4.99-percent Stockholder or such other Person. The purpose of this Section (G) of this Article XIV is to extend the restrictions in Sections (B) and (E) of this Article XIV to situations in which there is a 4.99-percent Transaction without a direct Transfer of Corporation Securities, and this Section (G) of this Article XIV, along with the other provisions of this Article XIV, shall be interpreted to produce the same results, with differences as the context requires, as a direct Transfer of Corporation Securities.

(H) LEGAL PROCEEDINGS; PROMPT ENFORCEMENT. If the Purported Transferee fails to surrender the Excess Securities or the proceeds of a sale thereof, in either case, with any Prohibited Distributions, to the Agent within thirty days from the date on which the Corporation makes a written demand pursuant to Section (E) of this Article XIV (whether or not made within the time specified in Section (E) of this Article XIV), then the Corporation may take such actions as it deems appropriate to enforce the provisions hereof, including the institution of legal proceedings to compel the surrender. Nothing in this Section (H) of this Article XIV shall (i) be deemed inconsistent with any Transfer of the Excess Securities provided in this Article XIV being void *ab initio*, (ii) preclude the Corporation in its discretion from immediately bringing legal proceedings without a prior demand or (iii) cause any failure of the Corporation to act within the time periods set forth in Section (E) of this Article XIV to constitute a waiver or loss of any right of the Corporation under this Article XIV. The Board of Directors may authorize such additional actions as it deems advisable to give effect to the provisions of this Article XIV.

(I) LIABILITY. To the fullest extent permitted by law, any stockholder subject to the provisions of this Article XIV who knowingly violates the provisions of this Article XIV and any Persons controlling, controlled by or under common control with such stockholder shall be jointly and severally liable to the Corporation for, and shall indemnify and hold the Corporation harmless against, any and all damages suffered as a result of such violation, including but not limited to damages resulting from a reduction in, or elimination of, the Corporation's ability to utilize its Tax Benefits, and attorneys' and auditors' fees incurred in connection with such violation.

(J) OBLIGATION TO PROVIDE INFORMATION. As a condition to the registration of the Transfer of any Stock, any Person who is a beneficial, legal or record holder of Stock, and any proposed Transferee and any Person controlling, controlled by or under common control with the proposed Transferee, shall provide such information as the Corporation may request from time to time in order to determine compliance with this Article XIV or the status of the Tax Benefits of the Corporation.

(K) LEGENDS. The Board of Directors may require that any certificates issued by the Corporation evidencing ownership of shares of Stock that are subject to the restrictions on transfer and ownership contained in this Article XIV bear the following legend:

“THE RESTATED CERTIFICATE OF INCORPORATION OF THE CORPORATION (THE “CERTIFICATE OF INCORPORATION”) CONTAINS RESTRICTIONS PROHIBITING THE TRANSFER (AS DEFINED IN THE CERTIFICATE OF INCORPORATION) OF STOCK OF THE CORPORATION (INCLUDING THE CREATION OR GRANT OF CERTAIN OPTIONS, RIGHTS AND WARRANTS) WITHOUT THE PRIOR AUTHORIZATION OF THE BOARD OF DIRECTORS OF THE CORPORATION (THE “BOARD OF DIRECTORS”) IF SUCH TRANSFER AFFECTS THE PERCENTAGE OF STOCK OF THE CORPORATION (WITHIN THE MEANING OF SECTION 382 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE “CODE”) AND THE TREASURY REGULATIONS PROMULGATED THEREUNDER) THAT IS TREATED AS OWNED BY A 4.99-PERCENT STOCKHOLDER (AS DEFINED IN THE CERTIFICATE OF INCORPORATION). IF THE TRANSFER RESTRICTIONS ARE VIOLATED, THEN THE TRANSFER WILL BE VOID *AB INITIO* AND THE PURPORTED TRANSFEREE OF THE STOCK WILL BE REQUIRED TO TRANSFER EXCESS SECURITIES (AS DEFINED IN THE CERTIFICATE OF INCORPORATION) TO THE CORPORATION'S AGENT. IN THE EVENT OF A TRANSFER WHICH DOES NOT INVOLVE SECURITIES OF THE CORPORATION WITHIN THE MEANING OF THE GENERAL CORPORATION LAW OF THE STATE OF DELAWARE (“SECURITIES”) BUT WHICH WOULD VIOLATE THE TRANSFER RESTRICTIONS, THE PURPORTED TRANSFEREE (OR THE RECORD OWNER) OF THE SECURITIES THAT VIOLATE THE TRANSFER RESTRICTIONS WILL BE REQUIRED TO TRANSFER SUFFICIENT SECURITIES PURSUANT TO THE TERMS PROVIDED FOR IN THE CERTIFICATE OF INCORPORATION TO CAUSE THE 4.99-PERCENT STOCKHOLDER TO NO LONGER BE IN VIOLATION OF THE TRANSFER RESTRICTIONS. THE CORPORATION WILL FURNISH WITHOUT CHARGE TO THE HOLDER OF RECORD OF THIS CERTIFICATE A COPY OF THE CERTIFICATE OF INCORPORATION CONTAINING THE ABOVE-REFERENCED TRANSFER RESTRICTIONS UPON WRITTEN REQUEST TO THE CORPORATION AT ITS PRINCIPAL PLACE OF BUSINESS.”

The Board of Directors may also require that any certificates issued by the Corporation evidencing ownership of shares of Stock that are subject to conditions imposed by the Board of Directors under Section (C) of this Article XIV also bear a conspicuous legend referencing the applicable restrictions.

(L) AUTHORITY OF BOARD OF DIRECTORS.

1. The Board of Directors shall have the power to determine all matters necessary for assessing compliance with this Article XIV, including, without limitation, (i) the identification of 4.99-percent Stockholders, (ii) whether a Transfer is a 4.99-percent Transaction or a Prohibited Transfer, (iii) the Percentage Stock Ownership in the Corporation of any 4.99-percent Stockholder, (iv) whether an instrument constitutes a Corporation Security, (v) the amount (or fair market value) due to a Purported Transferee pursuant to Section (F) of this Article XIV, and (vi) any other matters which the Board of Directors determines to be relevant; and the good faith determination of the Board of Directors on such matters shall be conclusive and binding for all the purposes of this Article XIV. In addition, the Board of Directors may, to the extent permitted by law, from time to time establish, modify, amend or rescind by-laws, regulations and procedures of the Corporation not inconsistent with the provisions of this Article XIV for purposes of determining whether any Transfer of Corporation Securities would jeopardize or endanger the Corporation's ability to preserve and use the Tax Benefits and for the orderly application, administration and implementation of this Article XIV.

2. Nothing contained in this Article XIV shall limit the authority of the Board of Directors to take such other action to the extent permitted by law as it deems necessary or advisable to protect the Corporation and its stockholders in preserving the Tax Benefits. Without limiting the generality of the foregoing, in the event of a change in law making one or more of the following actions necessary or desirable, the Board of Directors may, by adopting a written resolution, (i) accelerate the Expiration Date, (ii) modify the ownership interest percentage in the Corporation or the Persons or groups covered by this Article XIV, (iii) modify the definitions of any terms set forth in this Article XIV or (iv) modify the terms of this Article XIV as appropriate, in each case, in order to prevent an ownership change for purposes of Section 382 of the Code as a result of any changes in applicable Treasury Regulations or otherwise; *provided, however*, that the Board of Directors shall not cause there to be such acceleration or modification unless it determines, by adopting a written resolution, that such action is reasonably necessary or advisable to preserve the Tax Benefits or that the continuation of these restrictions is no longer reasonably necessary for the preservation of the Tax Benefits. Stockholders of the Corporation shall be notified of such determination through a filing with the Securities and Exchange Commission or such other method of notice as the Secretary of the Corporation shall deem appropriate.

3. In the case of an ambiguity in the application of any of the provisions of this Article XIV, including any definition used herein, the Board of Directors shall have the power to determine the application of such provisions with respect to any situation based on its reasonable belief, understanding or knowledge of the circumstances. In the event this Article XIV requires an action by the Board of Directors but fails to provide specific guidance with respect to such action, the Board of Directors shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of this Article XIV. All such actions, calculations, interpretations and determinations which are done or made by the Board of Directors in good faith shall be conclusive and binding on the Corporation, the Agent, and all other parties for all other purposes of this Article XIV. The Board of Directors may delegate all or any portion of its duties and powers under this Article XIV to a committee of the Board of Directors as it deems necessary or advisable and, to the fullest extent permitted by law, may exercise the authority granted by this Article XIV through duly authorized officers or agents of the Corporation. Nothing in this Article XIV shall be construed to limit or restrict the Board of Directors in its exercise of its fiduciary duties under applicable law.

(M) RELIANCE. Article 1

Establishment and Purpose

1.1 Establishment of the Plan. Digirad Corporation, a Delaware corporation (the “Company” or “Digirad”), hereby establishes an incentive compensation plan (the “Plan”), as set forth in this document.

1.2 Purpose of the Plan. The purpose of the Plan is to promote the success and enhance the value of the Company by linking the personal interests of Participants to those of the Company’s shareowners, and by providing Participants with an incentive for outstanding performance.

1.3 Effective Date of the Plan. The Plan is effective as of the date the Plan is approved by the Company’s stockholders (the “Effective Date”). The Plan will be deemed to be approved by the stockholders if it receives the affirmative vote of the holders of a majority of the shares of stock of the Company present or represented and entitled to vote at a meeting duly held in accordance with the applicable provisions of the Company’s Bylaws. The Digirad Company 2014 Equity Incentive Plan (the “Prior Plan”) shall be frozen on the date on which this Plan is approved by the Company’s stockholders and no new awards shall be issued under the Prior Plan. With respect to outstanding awards under the Prior Plan, the Prior Plan shall remain in place and any awards granted under the Prior Plan shall continue to be subject to the terms of the Prior Plan and applicable Award Agreements (as defined below) (including any such terms that are intended to survive the termination of the Prior Plan or the settlement of such Award (as defined below)) and shall remain in effect pursuant to their terms.

1.4 Duration of the Plan. Unless sooner terminated as provided herein, the Plan shall terminate ten (10) years from the Effective Date. After the Plan is terminated, no Awards may be granted but Awards previously granted shall remain outstanding in accordance with their applicable terms and conditions and the Plan’s terms and conditions.

Article 2

Definitions

Whenever used in the Plan, the following terms shall have the meanings set forth below and, when the meaning is intended, the initial letter of the word is capitalized:

- (a) “Affiliate” has the meaning ascribed to such term in Rule 12b-2 promulgated under the General Rules and Regulations of the Exchange Act.
 - (b) “Applicable Law” means any applicable law, including without limitation: (a) provisions of the Code, the Securities Act, the Exchange Act and any rules or regulations thereunder; (b) corporate, securities, tax or other laws, statutes, rules, requirements or regulations, whether federal, state, local or foreign; and (c) rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded.

-

(d) "Award Agreement" means an agreement, certificate, resolution or other type or form of writing or other evidence approved by the Committee which sets forth the terms and conditions of an Award. An Award Agreement may be in any electronic medium, may be limited to a notation on the books and records of the Company and, with the approval of the Committee, need not be signed by a representative of the Company or a Participant. In the event of any inconsistency between the Plan and an Award Agreement, the terms of the Plan shall govern.

(e) "Beneficial Owner" or "Beneficial Ownership" has the meaning ascribed to such term in Rule 13d-3 promulgated under the General Rules and Regulations under the Exchange Act.

(f) "Board" or "Board of Directors" means the Digirad Board of Directors.

(g) "Cause" means willful and gross misconduct on the part of a Participant that is materially and demonstrably detrimental to the Company or any Subsidiary as determined by the Company in its sole discretion.

(h) "Change in Control" shall be deemed to have occurred if:

(i) any Person, other than a trustee or other fiduciary holding securities under an employee benefit plan of the Company or a corporation owned directly or indirectly by the shareowners of the Company in substantially the same proportions as their ownership of stock of the Company, becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the total voting power represented by the Company's then outstanding voting securities;

(ii) during any period of two (2) consecutive years, individuals who at the beginning of such period constitute the Board of Directors of the Company and any new Director whose election by the Board of Directors or nomination for election by the Company's shareowners was approved by a vote of a majority of the Directors then still in office who either were Directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof;

(iii) the consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; or

(iv) the shareowners of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all the Company's assets.

Notwithstanding the foregoing, if a Change in Control constitutes a payment event with respect to any Award (or any portion of an Award) that provides for the deferral of compensation that is subject to Section 409A of the Code, to the extent required to avoid the imposition of additional taxes under Section 409A of the Code, the transaction or event described in subsection (a), (b), (c) or (d) with respect to such Award (or portion thereof) shall only constitute a Change in Control for purposes of the payment timing of such Award if such transaction also constitutes a "change in control event," as defined in Treasury Regulation Section 1.409A-3(i)(5).

The Committee shall have full and final authority, which shall be exercised in its sole discretion, to determine conclusively whether a Change in Control has occurred pursuant to the above definition, the date of the occurrence of such Change in Control and any incidental matters relating thereto; provided that any exercise of authority in conjunction with a determination of whether a Change in Control is a "change in control event" as defined in Treasury Regulation Section 1.409A-3(i)(5) shall be consistent with such regulation.

(i) “Code” means the Internal Revenue Code of 1986, as amended from time to time, and the Treasury Regulations issued thereunder.

(j) “Committee” means the Compensation Committee of the Board, or such other committee designated by the Board to administer the Plan pursuant to Article 3. The Committee shall consist of at least two individuals, each of whom qualifies as (a) a Non-Employee Director and (b) an “independent director” under the listing requirements of the NASDAQ Stock Market, or any similar rule or listing requirement that may be applicable to the Company from time to time. The members of the Committee shall be appointed from time to time by and shall serve at the discretion of the Board. For any period during which no such committee is in existence “Committee” shall mean the Board and all authority and responsibility assigned to the Committee under the Plan shall be exercised, if at all, by the Board.

(k) “Company” has the meaning set forth in Section 1.1.

(t) “Exercise Price” means the price at which a Share may be purchased by a Participant pursuant to an Option, as determined by the Committee.

(i) If the Stock is listed on one or more established stock exchanges or national market systems, including without limitation The NASDAQ Global Select Market, The NASDAQ Global Market or The NASDAQ Capital Market of The NASDAQ Stock Market LLC, its Fair Market Value shall be the closing sales price for such Stock (or the closing bid, if no sales were reported) as quoted on the principal exchange or system on which the Stock is listed (as determined by the Committee) on the date of determination (or, if no closing sales price or closing bid was reported on that date, as applicable, on the last immediately preceding trading date such closing sales price or closing bid was reported), as reported in The Wall Street Journal or such other source as the Committee deems reliable;

(ii) If the Stock is regularly quoted on an automated quotation system (including the OTC Bulletin Board) or by a recognized securities dealer, its Fair Market Value shall be the closing sales price for such Stock as quoted on such system or by such securities dealer on the date of determination, but if selling prices are not reported, the Fair Market Value of a share of Stock shall be the mean between the high bid and low asked prices for the Stock on the date of determination (or, if no such prices were reported on that date, on the last date such prices were reported), as reported in The Wall Street Journal or such other source as the Committee deems reliable; or

(iii) In the absence of an established market for the Stock of the type described in (i) and (ii), above, the Fair Market Value thereof shall be determined by the Committee in good faith using any reasonable method of valuation, which method may be set forth with greater specificity in the Award Agreement, (and, to the extent necessary or advisable, in a manner consistent with Section 409A of the Code and Section 422 of the Code for Incentive Stock Options), which determination shall be conclusive and binding on all interested parties. Such reasonable method may be determined by reference to (i) the placing price of the latest private placement of the Shares and the development of the Company’s business operations and the general economic and market conditions since such latest private placement; (ii) other third party transactions involving the Shares and the development of the Company’s business operation and the general economic and market conditions since such sale; (iii) an independent valuation of the Shares (by a qualified valuation expert) or (iv) such other methodologies or information as the Committee determines to be indicative of Fair Market Value and relevant.

(v) “Good Reason” means, unless the applicable Award Agreement states otherwise, (i) if an Employee or Consultant is a party to an employment or service agreement with the Company or its Affiliates and such agreement provides for a definition of “good reason,” the definition contained therein, or (ii) if no such agreement exists or if such agreement does not define “good reason,” in connection with a Termination of Employment by a Participant within one (1) year following a Change in Control, (1) a material adverse alteration in the Participant’s position or in the nature or status of the Participant’s responsibilities from those in effect immediately prior to the Change in Control, or (2) any material reduction in the Participant’s base salary rate or target annual bonus, in each case as in effect immediately prior to the Change in Control, or (3) the relocation of the Participant’s principal place of employment to a location that is more than fifty (50) miles from the location where the Participant was principally employed at the time of the Change in Control or materially increases the time of the Participant’s commute as compared to the Participant’s commute at the time of the Change in Control (except for required travel on the Company’s business to an extent substantially consistent with the Participant’s customary business travel obligations in the ordinary course of business prior to the Change in Control).

In order to invoke a Termination of Employment for Good Reason, a Participant must provide written notice to the Company or the Employer with respect to which the Participant is employed or providing services of the existence of one or more of the conditions constituting Good Reason within ninety (90) days following the Participant’s knowledge of the initial existence of such condition or conditions, specifying in reasonable detail the conditions constituting Good Reason, and the Company shall have thirty (30) days following receipt of such written notice (the “Cure Period”) during which it may remedy the condition. In the event that the Company or the Employer fails to remedy the condition constituting Good Reason during the applicable Cure Period, the Participant’s “separation from service” (within the meaning of Section 409A of the Code) must occur, if at all, within one (1) year following such Cure Period in order for such termination as a result of such condition to constitute a Termination of Employment for Good Reason.

(w) “Incentive Stock Option” means an Option that is intended to qualify as an “incentive stock option” within the meaning of Section 422 of the Code and that meets the requirements set out in the Plan.

(x) “Insider” means an Employee who is, on the relevant date, an officer, director, or ten percent (10%) beneficial owner of the Company, as those terms are defined under Section 16 of the Exchange Act.

(an) "Shares" or "Stock" means the shares of common stock of the Company.

(ao) "Stock Appreciation Right" or "SAR" means a right granted pursuant to Section 8.5 to receive an amount payable in cash or Shares equal to the excess of (i) the Fair Market Value of a specified number of Shares on the date the SAR is exercised over (ii) the Fair Market Value of such Shares on the date the SAR was granted as set forth in the applicable Award Agreement.

(ap) "Subsidiary" means any corporation, partnership, venture, unincorporated association or other entity in which Digirad holds, directly or indirectly, a fifty percent (50%) or greater ownership interest, provided, however, that with respect to an Incentive Stock Option, a Subsidiary must be a corporation. Administration

3.1 The Committee. The Plan shall be administered by the Committee. Reference to the Committee shall refer to the Board if the Compensation Committee ceases to exist and the Board does not appoint a successor Committee.

3.2 Authority of the Committee. The Committee shall have complete control over the administration of the Plan and shall have the authority in its sole discretion to (a) exercise all of the powers granted to it under the Plan, (b) construe, interpret and implement the Plan, grant terms and grant notices, and all Award Agreements, (c) prescribe, amend and rescind rules and regulations relating to the Plan, including rules governing its own operations, (d) make all determinations necessary or advisable in administering the Plan, (e) correct any defect, supply any omission and reconcile any inconsistency in the Plan, (f) amend the Plan to reflect changes in applicable law (whether or not the rights of the holder of any Award are adversely affected, unless otherwise provided by the Committee), (g) grant Awards and determine who shall receive Awards, when such Awards shall be granted and the terms and conditions of such Awards, including, but not limited to, conditioning the exercise, vesting, payout or other term of condition of an Award on the achievement of Performance Goals, (h) unless otherwise provided by the Committee, amend any outstanding Award in any respect, not materially adverse to the Participant, including, without limitation, to (1) accelerate the time or times at which the Award becomes vested, unrestricted or may be exercised (and, in connection with such acceleration, the Committee may provide that any Shares acquired pursuant to such Award shall be Restricted Shares, which are subject to vesting, transfer, forfeiture or repayment provisions similar to those in the Participant's underlying Award), (2) accelerate the time or times at which shares of Stock are delivered under the Award (and, without limitation on the Committee's rights, in connection with such acceleration, the Committee may provide that any shares of Stock delivered pursuant to such Award shall be Restricted Shares, which are subject to vesting, transfer, forfeiture or repayment provisions similar to those in the Participant's underlying Award), or (3) waive or amend any goals, restrictions or conditions applicable to such Award, or impose new goals, restrictions and (i) determine at any time whether, to what extent and under what circumstances and method or methods (1) Awards may be (A) settled in cash, shares of Stock, other securities, other Awards or other property (in which event, the Committee may specify what other effects such settlement will have on the Participant's Award), (B) exercised or (C) canceled, forfeited or suspended, (2) Shares, other securities, cash, other Awards or other property and other amounts payable with respect to an Award may be deferred either automatically or at the election of the Participant or of the Committee, or (3) Awards may be settled by the Company or any of its Subsidiaries or any of its or their designees.

No Award may be made under the Plan after the tenth (10th) anniversary of the Effective Date.

3.3 Committee Decisions Final. The act or determination of a majority of the Committee shall be the act or determination of the Committee and any decision reduced to writing and signed by all of the members of the Committee shall be fully effective as if it had been made by a majority at a meeting duly held. The Committee may employ attorneys, consultants, accountants, agents, and other persons, any of whom may be an Employee, and the Committee, the Company, and its officers and Directors shall be entitled to rely upon the advice, opinions, or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee pursuant to the provisions of the Plan and all related orders or resolutions shall be final and binding upon the Participants, the Company, and all other interested persons, including but not limited to the Company, its stockholders, Employees, Participants, and their estates and beneficiaries.

3.4 Delegation of Authority. The Board or Committee may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards or to take other administrative actions pursuant to this Article 3; provided, however, that in no event shall an officer of the Company be delegated the authority to grant Awards to, or amend Awards held by, the following individuals: (a) individuals who are subject to Section 16 of the Exchange Act, or (b) officers of the Company (or Directors) to whom authority to grant or amend Awards has been delegated hereunder; provided, further, that any delegation of administrative authority shall only be permitted to the extent it is permissible under the Company's Certificate of Incorporation, Bylaws and Applicable Law. Any delegation hereunder shall be subject to the restrictions and limits that the Board or Committee specifies at the time of such delegation or that are otherwise included in the applicable Organizational Documents, and the Board or Committee, as applicable, may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 3.4 shall serve in such capacity at the pleasure of the Board or the Committee, as applicable, and the Board or the Committee may abolish any committee at any time and re-vest in itself any previously delegated authority

3.5 Indemnification. To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; provided he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Article 4

Shares Subject to the Plan

4.1 Number of Shares. Subject to adjustment as provided in Sections 4.2 and 4.3, the aggregate number of Shares of Stock which may be issued or transferred pursuant to Awards under the Plan shall be the sum of: (i) 1,500,000 shares, plus (ii) the number of shares of common stock of the Company which remain available for grants of options or other awards under the Prior Plan as of the Effective Date, plus (iii) the number of Shares that, after the Effective Date, would again become available for issuance pursuant to the reserved share replenishment provisions of the Prior Plan as a result of, stock options issued thereunder expiring or becoming unexercisable for any reason before being exercised in full, or, as a result of restricted stock being forfeited to the Company or repurchased by the Company pursuant to the terms of the agreements governing such shares. The share replenishment provision of the immediately preceding clause (iii) shall be effective regardless of whether the Prior Plan has terminated or remains in effect. Notwithstanding the foregoing, in order that the applicable regulations under the Code relating to Incentive Stock Options be satisfied, the maximum number of shares of Stock that may be delivered upon exercise of Incentive Stock Options shall be 1,000,000, as adjusted under Sections 4.2 and 4.3. Shares of Stock issued pursuant to the Plan may be either authorized but unissued Shares or Shares held by the Company in its treasury.

4.2 Share Accounting. Without limiting the discretion of the Committee under this section, the following rules will apply for purposes of the determination of the number of Shares available for grant under the Plan or compliance with the foregoing limits:

- (a) If an outstanding Award for any reason expires or is terminated or canceled without having been exercised or settled in full, or if Shares acquired pursuant to an Award subject to forfeiture are forfeited under the terms of the Plan or the relevant Award, the Shares allocable to the terminated portion of such Award or such forfeited Shares shall again be available for issuance under the Plan.
- (b) Shares shall not be deemed to have been issued pursuant to the Plan with respect to any portion of an Award that is settled in cash, other than an Option.
- (c) If the exercise price of an Option is paid by tender to the Company, or attestation to the ownership, of Shares owned by the Participant, or an Option is settled without the payment of the exercise price, or the payment of taxes with respect to any Award is settled by a net exercise, the number of shares available for issuance under the Plan shall be reduced by the gross number of shares for which the Option is exercised or other Awards that have vested.

4.3 Adjustments in Authorized Plan Shares and Outstanding Awards. In the event of any merger, reorganization, consolidation, recapitalization, separation, split-up, liquidation, Share combination, Stock split, Stock dividend, an extraordinary cash distribution on Stock, a corporate separation or other reorganization or liquidation or other change in the corporate or capital structure of the Company affecting the Shares, an adjustment shall be made in a manner consistent with Sections 422 and 424(h)(3) of the Code for Incentive Stock Options and in a manner consistent with Section 409A of the Code for Non-Qualified Stock Options and in the number and class of and/or price of Shares subject to outstanding Awards granted under the Plan, and/or the number of outstanding Options, Shares of Restricted Stock, and Performance Shares (and Restricted Stock Units, Performance Stock Units and other Awards whose value is based on a number of Shares) constituting outstanding Awards, as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights. The Committee may make adjustments in the terms and conditions of, and the criteria included in Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in this Section) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan. Adjustments under this Section 4.3 shall be consistent with Section 409A of the Code and adjustments pursuant to determination of the Committee shall be conclusive and binding on all Participants under the Plan.

4.4 Limitation on Number of Shares Granted to Independent Directors. Notwithstanding any provision in the Plan to the contrary, the sum of the grant date fair value of equity-based Awards and the amount of any cash-based Awards granted to an Independent Director during any calendar year shall not exceed five hundred thousand dollars (\$500,000).

Article 5

Eligibility and Participation

5.1 Eligibility. Individuals eligible to participate in the Plan include all Employees, Directors, Non-Employee Directors, and all Consultants and advisors to the Company, its Affiliates and/or Subsidiaries, as determined by the Committee.

5.2 Actual Participation. Subject to the provisions of the Plan, the Committee may, from time to time, select from all eligible individuals, those to whom Awards shall be granted and shall determine, in its sole discretion, the nature of, any and all terms permissible by law, and the amount of each Award. In making this determination, the Committee may consider any factors it deems relevant, including without limitation, the office or position held by a Participant or the Participant's relationship to the Company, the Participant's degree of responsibility for and contribution to the growth and success of the Company or any Subsidiary or Affiliate, the Participant's length of service, promotions and potential.

5.3 Foreign Participants. In order to assure the viability of Awards granted to Participants employed in foreign countries, the Committee may provide for such special terms as it may consider necessary or appropriate to accommodate differences in local law, tax policy, or custom. Moreover, the Committee may approve such supplements to, or amendments, restatements, or alternative versions of, the Plan as it may consider necessary or appropriate for such purposes without thereby affecting the terms of the Plan as in effect for any other purpose; provided, however, that no such supplements, amendments, restatements, or alternative versions shall increase the share limitations contained in Section 4.1 of the Plan.

Article 6

Options

6.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Participants in such number, and upon such terms and conditions, and at any time and from time to time as shall be determined by the Committee, in its sole discretion; provided, however, that (i) no Award of an Incentive Stock Option may be made pursuant to this Plan after the tenth (10th) anniversary of the Effective Date, and (ii) Incentive Stock Options may be granted only to eligible Employees of the Company or of any parent or subsidiary corporation (as permitted under Sections 422 and 424 of the Code). If an Option is intended to be an Incentive Stock Option, and if, for any reason, such Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, such Option (or portion thereof) shall be regarded as a Non-Qualified Stock Option appropriately granted under the Plan; provided that such Option (or portion thereof) otherwise complies with the Plan's requirements relating to Non-Qualified Stock Options. In addition, the Committee may, from time to time, provide for the payment of Dividend Equivalents on Options, prospectively and/or retroactively, on such terms and conditions as the Committee may require. The Committee shall have discretion in determining the number of Shares subject to Options granted to each Employee, subject to the limitations set forth in Article 4.

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the terms and conditions of the Option, including the Exercise Price, the maximum duration of the Option, the number of Shares to which the Option pertains, the conditions upon which an Option shall become vested and exercisable, and such other provisions as the Committee shall determine which are not inconsistent with the terms of the Plan. The Award Agreement also shall specify whether the Option is intended to be an Incentive Stock Option or a Non-Qualified Stock Option.

6.3 Exercise Price. Unless a greater Exercise Price is determined by the Committee, the Exercise Price for each Option awarded under this Plan shall be equal to one hundred percent (100%) of the Fair Market Value of a Share on the date the Option is granted. In the case of an Incentive Stock Option granted to a Ten Percent Owner, such Incentive Stock Option shall be granted at a price that is not less than one hundred and ten percent (110%) of Fair Market Value on the date of grant.

6.4 Duration of Options. Each Option shall expire at such time as the Committee shall determine at the time of grant (which duration may be extended by the Committee); provided, however, that no Option shall be exercisable later than the tenth (10th) anniversary date of its grant or on or after the fifth (5th) anniversary of its grant date if the Participant is a Ten Percent Owner. In the event the Committee does not specify the expiration date of an Option, then such Option will expire on the tenth (10th) anniversary date of its grant or on or after the fifth (5th) anniversary of its grant date if the Participant is a Ten Percent Owner, except as otherwise provided herein.

In the case of an Incentive Stock Option, such Incentive Stock Option may not be exercised to any extent by anyone after the first to occur of the following events:

(a) The expiration date of the Incentive Stock Option.

(b) One (1) year after the date of the Participant's Termination of Employment on account of Disability or death. Upon the Participant's Disability or death, any Incentive Stock Options exercisable at the Participant's Disability or death may be exercised by the Participant's legal representative or representatives, by the person or persons entitled to do so pursuant to the Participant's last will and testament, or, if the Participant fails to make testamentary disposition of such Incentive Stock Option or dies intestate, by the person or persons entitled to receive the Incentive Stock Option pursuant to the applicable laws of descent and distribution.

(c) Three (3) months after the date of the Participant's Termination of Employment without Cause other than Disability or death. Whether a Participant continues to be an employee shall be determined in accordance with Treas. Reg. Section 1.421-1(h)(2).

6.5 Vesting of Options. A grant of Options shall vest at such times and under such terms and conditions as determined by the Committee including, without limitation, suspension of a Participant's vesting during all or a portion of a Participant's leave of absence. The Committee shall have the right to accelerate the vesting of any Option; however, the Chairman of the Board, or his successors, or such other persons designated by the Committee, shall have the authority to accelerate the vesting of Options for any Participant who is not an Insider.

6.6 Exercise of Options. Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant; provided, however, that during a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant. Exercises of Options may be effected only on days and during the hours NASDAQ is open for regular trading. The Company may change or limit the times or days Options may be exercised. If an Option expires on a day or at a time when exercises are not permitted, then the Options may be exercised no later than the immediately preceding date and time that the Options were exercisable.

An Option shall be exercised by providing notice to the designated agent selected by the Company (if no such agent has been designated, then to the Company), in the manner and form determined by the Company, which notice shall be irrevocable, setting forth the exact number of Shares with respect to which the Option is being exercised and including with such notice payment of the Exercise Price, as applicable. When an Option has been transferred, the Company or its designated agent may require appropriate documentation that the person or persons exercising the Option, if other than the Participant, has the right to exercise the Option. No Option may be exercised with respect to a fraction of a Share.

Additionally, the Participant shall give the Company prompt notice of any disposition of shares of Stock acquired by exercise of an Incentive Stock Option within (i) two (2) years from the date of grant of such Incentive Stock Option or (ii) one (1) year after the transfer of such shares of Stock to the Participant.

6.7 ISO Individual Dollar Limitation. The aggregate Fair Market Value (determined as of the time the Option is granted) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed one hundred thousand dollars (\$100,000.00) or such other limitation as imposed by Section 422(d) of the Code. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-Qualified Stock Options.

6.8 Payment. Unless otherwise determined by the Committee, the Exercise Price shall be paid in full at the time of exercise. No Shares shall be issued or transferred until full payment has been received or the next business day thereafter, as determined by the Company.

The Committee may, from time to time, determine or modify the method or methods of exercising Options or the manner in which the Exercise Price is to be paid. Unless otherwise provided by the Committee in full or in part, to the extent permitted by Applicable Law, payment may be made by any of the following:

(a) cash or certified or bank check;

(b) delivery of Shares owned by the Participant duly endorsed for transfer to the Company, with a Fair Market Value of such Shares delivered on the date of delivery equal to the Exercise Price (or portion thereof) due for the number of Shares being acquired;

(c) if the Company has designated a stockbroker to act as the Company's agent to process Option exercises, an Option may be exercised by issuing an exercise notice together with instructions to such stockbroker irrevocably instructing the stockbroker: (i) to immediately sell (which shall include an exercise notice that becomes effective upon execution of a sale order) a sufficient portion of the Shares to be received from the Option exercise to pay the Exercise Price of the Options being exercised and the required tax withholding, and (ii) to deliver on the settlement date the portion of the proceeds of the sale equal to the Exercise Price and tax withholding to the Company. In the event the stockbroker sells any Shares on behalf of a Participant, the stockbroker shall be acting solely as the agent of the Participant, and the Company disclaims any responsibility for the actions of the stockbroker in making any such sales. However, if the Participant is an Insider, then the instruction to the stock broker to sell in the preceding sentence is intended to comply with the requirements of Rule 10b5-1(c)(1)(i)(B) of the Exchange Act to the extent permitted by law. No Shares shall be issued until the settlement date and until the proceeds (equal to the Exercise Price and tax withholding) are paid to the Company;

(d) at any time, the Committee may, in addition to or in lieu of the foregoing, provide that an Option may be "stock settled," which shall mean upon exercise of an Option, the Company may fully satisfy its obligation under the Option by delivering that number of shares of Stock found by taking the difference between (i) the Fair Market Value of the Stock on the exercise date, multiplied by the number of Options being exercised and (ii) the total Exercise Price of the Options being exercised, and dividing such difference by the Fair Market Value of the Stock on the exercise date; or

(e) any combination of the foregoing methods.

Restricted Stock may not be used to pay the Exercise Price.

Notwithstanding any other provision of the Plan to the contrary, no Participant who is a Director or an "Executive Officer" of the Company shall be permitted to pay the Exercise Price of an Option in any method which would violate Section 13(h) of the Exchange Act.

6.9 Termination of Employment. Unless otherwise provided by the Committee, the following limitations on the exercise of Options shall apply upon Termination of Employment:

(a) Termination by Death or Disability. In the event of the Participant's Termination of Employment by reason of death or Disability, all outstanding Options granted to that Participant shall immediately vest as of the date of Termination of Employment and may be exercised, if at all, no more than five (5) years from the date of the Termination of Employment, unless the Options, by their terms, expire earlier.

(b) Termination for Cause. In the event of the Participant's Termination of Employment by the Company for Cause, all outstanding Options held by the Participant shall immediately be forfeited to the Company and no additional exercise period shall be allowed, regardless of the vested status of the Options.

(c) Other Termination of Employment. In the event of the Participant's Termination of Employment for any reason other than the reasons set forth in (a) or (b), above:

(i) All outstanding Options which are vested as of the effective date of Termination of Employment may be exercised, if at all, no more than five (5) years from the date of Termination of Employment if the Participant is eligible to retire, or three (3) months from the date of the Termination of Employment if the Participant is not eligible to retire, as the case may be, unless in either case the Options, by their terms, expire earlier; and

(ii) In the event of the death of the Participant after Termination of Employment, this paragraph (c) shall still apply and not paragraph (a), above.

(iii) Except as provided in Section 6.9(a) and Section 11.2, all Options held by the Participant which are not vested on or before the effective date of Termination of Employment shall immediately be forfeited to the Company (and the Shares subject to such forfeited Options shall once again become available for issuance under the Plan).

(d) Other Terms and Conditions. Notwithstanding the foregoing, the Committee may, in its sole discretion, establish different, or waive, terms and conditions pertaining to the effect of Termination of Employment on Options, whether or not the Options are outstanding, but no such modification shall shorten the terms of Options issued prior to such modification or otherwise be materially adverse to the Participant.

6.10 Restrictions on Exercise and Transfer of Options. Unless otherwise provided by the Committee:

(a) During the Participant's lifetime, the Participant's Options shall be exercisable only by the Participant or by the Participant's guardian or legal representative. After the death of the Participant, except as otherwise provided by Article 9, an Option shall only be exercised by the holder thereof (including, but not limited to, an executor or administrator of a decedent's estate) or his or her guardian or legal representative.

(b) No Option shall be transferable except: (i) in the case of the Participant, only upon the Participant's death and in accordance with Article 9; and (ii) in the case of any holder after the Participant's death, only by will or by the laws of descent and distribution; and (iii) pursuant to a domestic relations order.

Article 7

Restricted Stock

7.1 Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to eligible Employees in such amounts and upon such terms and conditions as the Committee shall determine. In addition to any other terms and conditions imposed by the Committee, vesting of Restricted Stock may be conditioned upon the achievement of Performance Goals.

7.2 Restricted Stock Agreement. The Committee may require, as a condition to receiving a Restricted Stock Award, that the Participant enter into a Restricted Stock Award Agreement, setting forth the terms and conditions of the Award. In lieu of a Restricted Stock Award Agreement, the Committee may provide the terms and conditions of an Award in a notice to the Participant of the Award, on the Stock certificate representing the Restricted Stock, in the resolution approving the Award, or in such other manner as it deems appropriate. If certificates representing the Restricted Stock are registered in the name of the Participant, any certificates so issued shall be printed with an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award as determined or authorized in the sole discretion of the Committee. Shares recorded in book-entry form shall be recorded with a notation referring to the terms, conditions, and restrictions applicable to such Award as determined or authorized in the sole discretion of the Committee. The Committee may require that the stock certificates or book-entry registrations evidencing Shares of Restricted Stock be held in custody by a designated escrow agent (which may but need not be the Company) until the restrictions thereon shall have lapsed, and that the Participant deliver a stock power, endorsed in blank, relating to the Stock covered by such Award.

7.3 Transferability. Except as otherwise provided in this Article 7, and subject to any additional terms in the grant thereof, Shares of Restricted Stock granted herein may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until fully vested.

7.4 Restrictions. The Restricted Stock shall be subject to such vesting terms, including the achievement of Performance Goals, as may be determined by the Committee. Unless otherwise provided by the Committee, to the extent Restricted Stock is subject to any condition to vesting, if such condition or conditions are not satisfied by the time the period for achieving such condition has expired, such Restricted Stock shall be forfeited. The Committee may impose such other conditions and/or restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable including but not limited to a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock and/or restrictions under Applicable Law. The Committee may also grant Restricted Stock without any terms or conditions in the form of vested Stock Awards.

7.5 Removal of Restrictions. Except as otherwise provided in this Article 7 or otherwise provided in the grant thereof, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant after completion of all conditions to vesting, if any. However, the Committee, in its sole discretion, shall have the right to immediately vest the shares and waive all or part of the restrictions and conditions with regard to all or part of the Shares held by any Participant at any time.

7.6 Voting Rights, Dividends and Other Distributions. Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights and, unless otherwise provided in an Award Agreement, shall receive all dividends and distributions paid with respect to such Shares. The Committee may require that dividends and other distributions, other than regular cash dividends, paid to Participants with respect to Shares of Restricted Stock be subject to the same restrictions and conditions as the Shares of Restricted Stock with respect to which they were paid. If any such dividends or distributions are paid in Shares, the Shares shall automatically be subject to the same restrictions and conditions as the Shares of Restricted Stock with respect to which they were paid. In addition, with respect to a Share of Restricted Stock, dividends shall only be paid out to the extent that the Share of Restricted Stock vests. Any cash dividends and stock dividends with respect to the Restricted Stock shall be withheld by the Company for the Participant's account, and interest may be credited on the amount of the cash dividends withheld at a rate and subject to such terms as determined by the Committee. The cash dividends or stock dividends so withheld by the Committee and attributable to any particular share of Restricted Stock (and earnings thereon, if applicable) shall be distributed to the Participant in cash or, at the discretion of the Committee, in shares of Common Stock having a Fair Market Value equal to the amount of such dividends, if applicable, upon the release of restrictions on such share and, if such share is forfeited, the Participant shall have no right to such dividends.

7.7 Termination of Employment Due to Death or Disability. In the event of the Participant's Termination of Employment by reason of death or Disability, unless otherwise determined by the Committee, all restrictions imposed on outstanding Shares of Restricted Stock held by the Participant shall immediately lapse and the Restricted Stock shall immediately become fully vested as of the date of Termination of Employment.

7.8 Termination of Employment for Other Reasons. Unless otherwise provided by the Committee, in the event of the Participant's Termination of Employment for any reason other than those specifically set forth in Section 7.7 herein, subject to Section 11.2, all Shares of Restricted Stock held by the Participant which are not vested as of the effective date of Termination of Employment shall immediately be forfeited and returned to the Company.

7.9 Section 83(b) Election. The Committee may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Section 83(b) of the Code. If a Participant makes an election pursuant to Section 83(b) of the Code concerning a Restricted Stock Award, the Participant shall be required to file promptly a copy of such election with the Company.

7.10 Restricted Stock Units. In lieu of or in addition to Restricted Stock, the Committee may grant Restricted Stock Units under such terms and conditions as shall be determined by the Committee in accordance with Section 3.2. Restricted Stock Units shall be subject to the same terms and conditions under this Plan as Restricted Stock except as otherwise provided in this Plan or as otherwise provided by the Committee. Except as otherwise provided by the Committee, the award shall be settled and paid out promptly upon vesting (to the extent permitted by Section 409A of the Code), and the Participant holding such Restricted Stock Units shall receive, as determined by the Committee, Shares (or cash equal to the Fair Market Value of the number of Shares as of the date the Award becomes payable) equal to the number of such Restricted Stock Units. Restricted Stock Units shall not be transferable, shall have no voting rights, and, unless otherwise determined by the Committee, shall not receive dividends or Dividend Equivalents (which in any event shall only be paid out to the extent that the Restricted Stock Units vest). Upon a Participant's Termination of Employment due to death or Disability, the Committee will determine whether there should be any acceleration of vesting.

Article 8

Other Types of Awards

8.1 Performance Share Awards. Any Participant selected by the Committee may be granted one or more Performance Share awards which shall be denominated in a number of shares of Stock and which may be linked to any one or more of the Performance Goals or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant.

8.2 Performance Stock Units. Any Participant selected by the Committee may be granted one or more Performance Stock Unit awards which shall be denominated in units of value including dollar value of shares of Stock and which may be linked to any one or more of the Performance Goals or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant.

8.3 Dividend Equivalents. Any Participant selected by the Committee may be granted Dividend Equivalents based on the dividends declared on the shares of Stock that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such Dividend Equivalents shall be converted to cash or additional shares of Stock by such formula and at such time and subject to such limitations as may be determined by the Committee, in a matter consistent with the rules of Section 409A of the Code. Dividend Equivalents granted with respect to Options or SARs shall be payable, with respect to pre-exercise periods, regardless of whether such Option or SAR is subsequently exercised. Notwithstanding the foregoing, Dividend Equivalents granted by the Committee hereunder shall only be paid out to the extent that the Award vests.

8.4 Deferred Stock. Any Participant selected by the Committee may be granted an award of Deferred Stock in the manner determined from time to time by the Committee. The number of shares of Deferred Stock shall be determined by the Committee and may be linked to the Performance Criteria or other specific performance criteria determined to be appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. Stock underlying a Deferred Stock Award will not be issued until the Deferred Stock Award has vested, pursuant to a vesting schedule or performance criteria set by the Committee. Unless otherwise provided by the Committee, a Participant awarded Deferred Stock shall have no rights as a Company stockholder with respect to such Deferred Stock until such time as the Deferred Stock Award has vested and the Stock underlying the Deferred Stock Award has been issued.

8.5 Stock Appreciation Rights. Any Participant selected by the Committee may be granted one or more SARs. SARs may be granted alone or in tandem with Options. Each SAR shall be evidenced by an Award Agreement that shall specify the exercise price, the term of the SAR, and such other provisions as the Committee shall determine. With respect to SARs granted in tandem with Options, the exercise of either such Options or such SARs shall result in the simultaneous cancellation of the same number of tandem SARs or Options, as the case may be. The exercise price per share of Stock covered by a SAR granted pursuant to the Plan shall be equal to or greater than Fair Market Value on the date the SAR was granted. The term of each SAR shall be determined by the Committee in its sole discretion, but in no event shall the term exceed ten (10) years from the date of grant. SARs may be settled in the form of cash, shares of Stock or a combination of cash and shares of Stock, as determined by the Committee. Except as the Committee may deem inappropriate or inapplicable in the circumstances, SARs shall be subject to terms and conditions substantially similar to those applicable to a Non-Qualified Options.

8.6 Other Stock-Based Awards. Any Participant selected by the Committee may be granted one or more Awards that provide Participants with shares of Stock or the right to purchase shares of Stock or that have a value derived from the value of, or an exercise or conversion privilege at a price related to, or that are otherwise payable in shares of Stock and which may be linked to any one or more of the Performance Goals or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of Award) the contributions, responsibilities and other compensation of the particular Participant.

8.7 Performance Bonus Awards. Any Participant selected by the Committee may be granted one or more Awards in the form of a cash bonus (a "Performance Bonus Award") payable upon the attainment of Performance Goals that are established by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee.

8.8 Term. Except as otherwise provided herein, the term of any Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Deferred Stock, Stock Appreciation Right, Other Stock-Based Award and Performance Bonus Award shall be set by the Committee in its discretion.

8.9 Exercise or Purchase Price. The Committee may establish the exercise or purchase price, if any, of any Award of Performance Shares, Performance Stock Units, Deferred Stock, Stock Appreciation Rights, Other Stock-Based Award and Performance Bonus Award; provided, however, that such price shall not be less than the par value of a share of Stock on the date of grant, unless otherwise permitted by Applicable Law.

8.10 Exercise Upon Termination of Employment or Service. An Award of Performance Shares, Performance Stock Units, Deferred Stock, Stock Appreciation Rights, Other Stock-Based Award and Performance Bonus Award shall only be exercisable or payable while the Participant is an Employee, Consultant or a member of the Board, as applicable; provided, however, that the Committee in its sole and absolute discretion may provide that an Award of Performance Shares, Performance Stock Units, Deferred Stock, Stock Appreciation Rights, Other Stock-Based Award and Performance Bonus Award may be exercised or paid subsequent to a Termination of Employment without Cause. In the event of the Termination of Employment of a Participant by the Company for Cause, all Awards under this Article 8 shall be forfeited by the Participant to the Company.

8.11 Form of Payment. Payments with respect to any Awards granted under this Article 8 shall be made in cash, in Stock or a combination of both, as determined by the Committee.

8.12 Award Agreement. All Awards under this Article 8 shall be subject to such additional terms and conditions as determined by the Committee and shall be evidenced by a written Award Agreement.

8.13 Nontransferability. Unless otherwise provided by the Committee, all Awards under this Article 8 may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than in accordance with Article 9 or pursuant to a domestic relations order.

Article 9

Beneficiary Designation

Notwithstanding Sections 6.10, 7.3, 7.10 and 8.14, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary with respect to more than fifty percent (50%) of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

Article 10

Employee Matters

10.1 Limitation of Rights in Stock. A Participant shall not be deemed for any purpose to be a stockholder of the Company with respect to any of the Shares of Stock subject to an Award, unless and until Shares shall have been issued therefor and delivered to the Participant or his agent. Any Stock to be issued pursuant to Awards granted under the Plan shall be subject to all restrictions upon the transfer thereof which may be now or hereafter imposed by the Certificate of Incorporation and the Bylaws of the Company.

10.2 Employment Not Guaranteed. Nothing in the Plan shall interfere with or limit in any way the right of the Company (or any Affiliate) to terminate any Participant's Employment at any time, nor confer upon any Participant any right to continue in the employ of the Company (or any Affiliate), subject to the terms of any separate employment or consulting agreement or provision of law or corporate articles or by-laws to the contrary, at any time to terminate such employment or consulting agreement or to increase or decrease, or otherwise adjust, the other terms and conditions of the recipient's employment or other association with the Company and its Affiliates.

10.3 Participation. No Employee shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award. In addition, there is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated.

10.4 Reimbursement of Company for Unearned or Ill-gotten Gains. Unless otherwise specifically provided in an Award Agreement, and to the extent permitted by Applicable Law, if the Company is required to prepare an accounting restatement due to the material noncompliance of the Company with any financial reporting requirement under the securities laws, the Committee may, without obtaining the approval or consent of the Company's shareholders or of any Participant, require that any Participant who personally engaged in one of more acts of fraud or misconduct that have caused or partially caused the need for such restatement or any current or former chief executive officer, chief financial officer, or executive officer, regardless of their conduct, to reimburse the Company in a manner consistent with Section 409A of the Code, if the Award constitutes "Non-Qualified Deferred Compensation," for all or any portion of any Awards granted or settled under this Plan (with each such case being a "Reimbursement"), or the Committee may require the Termination or Rescission of, or the Recapture associated with, any Award, in excess of the amount the Participant would have received under the accounting restatement.

Article 11

Change in Control

11.1 Vesting Upon Change in Control. For the avoidance of doubt, the Committee may not accelerate the vesting and exercisability (as applicable) of any outstanding Awards, in whole or in part, solely upon the occurrence of a Change in Control except as provided in this Section 11.1. In the event of a Change in Control after the date of the adoption of the Plan, then:

(a) to the extent an outstanding Award subject solely to time-based vesting is not assumed or replaced by a comparable Award referencing shares of the capital stock of the successor corporation or its "parent corporation" (as defined in Section 424(e) of the Code) or "subsidiary corporation" (as defined in Section 424(f) of the Code) which is publicly traded on a national stock exchange or quotation system, as determined by the Committee in its sole discretion, with appropriate adjustments as to the number and kinds of shares and the exercise prices, if applicable, then any outstanding Award subject solely to time-based vesting then held by Participants that is unexercisable, unvested or still subject to restrictions or forfeiture shall, in each case as specified by the Committee in the applicable Award Agreement or otherwise, be deemed exercisable or otherwise vested, as the case may be, as of immediately prior to such Change in Control;

(b) all Awards that vest subject to the achievement of any performance goal, target performance level, or similar performance-related requirement shall, in each case as specified by the Committee in the applicable Award Agreement or otherwise, either (A) be canceled and terminated without any payment or consideration therefor; or (B) automatically vest based on: (1) actual achievement of any applicable Performance Goals through the date of the Change in Control, as determined by the Committee in its sole discretion; or (2) achievement of target performance levels (or the greater of actual achievement of any applicable Performance Goals through the date of the Change in Control, as determined by the Committee in its sole discretion, and target performance levels); provided that in the case of vesting based on target performance levels such Awards shall also be prorated based on the portion of the Performance Period elapsed prior to the Change in Control; and, in the case of this clause (B), shall be paid at the earliest time permitted under the terms of the applicable agreement, plan or arrangement that will not trigger a tax or penalty under Section 409A of the Code, as determined by the Committee; and

(c) Each outstanding Award that is assumed in connection with a Change in Control, or is otherwise to continue in effect subsequent to the Change in Control, will be appropriately adjusted, immediately after the Change in Control, as to the number and class of securities and other relevant terms in accordance with Section 4.3.

11.2 Termination of Employment Upon Change in Control. Unless the Committee provides otherwise, upon a Participant's Termination of Employment (i) by the Company or its successor or surviving corporation without Cause, or (ii) by the Participant for Good Reason (including the Termination of Employment of the Participant if he or she is employed by an Affiliate at the time the Company sells or otherwise divests itself of such Affiliate) on or within one (1) year following a Change in Control, subject to the Participant's execution of a waiver and release of claims in a form and manner satisfactory to the Company, all outstanding Awards shall immediately become fully vested and exercisable; *provided that* Restricted Stock Units shall be settled in accordance with the terms of the grant without regard to the Change in Control unless the Change in Control constitutes a "change in control event" within the meaning of Section 409A of the Code and such Termination of Employment occurs within one (1) year following such Change in Control, in which case the Restricted Stock Units shall be settled and paid out with such Termination of Employment.

Article 12

Amendment, Modification, and Termination

12.1 Amendment, Modification, and Termination of Plan. At any time and from time to time, the Board may amend, modify, alter, suspend, discontinue or terminate the Plan, in whole or in part, without stockholder approval; provided, however, that (a) to the extent necessary and desirable to comply with any Applicable Law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (b) stockholder approval is required for any amendment to the Plan that (i) increases the number of shares available under the Plan (other than any adjustment as provided by Section 4.3) or the number of shares available for issuance as ISOs, or (ii) permits the Committee to grant Options with an Exercise Price that is below Fair Market Value on the date of grant, or (iii) permits the Committee to extend the exercise period for an Option beyond ten (10) years from the date of grant, or (iv) results in a material increase in benefits or a change in eligibility requirements, or (v) change the granting corporation or (vi) the type of stock.

12.2 Amendment of Awards. Subject to Section 4.3, at any time and from time to time, the Committee may amend the terms of any one or more outstanding Awards, provided that the Award as amended is consistent with the terms of the Plan or if necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, without limitation, Section 409A and Section 162(m) of the Code), and to the administrative regulations and rulings promulgated thereunder. Notwithstanding any provision in this Plan to the contrary, absent approval of the stockholders of the Company, no Option may be amended to reduce the per share Exercise Price of the shares subject to such Option below the per share exercise price as of the date the Option is granted and, except as permitted by Section 4.3, no Option may be granted in exchange for, or in connection with, the cancellation or surrender of an Option having a higher per share Exercise Price.

12.3 Awards Previously Granted. No termination, amendment, or modification of the Plan or any Award shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant holding such Award; provided, however, that any such modification made for the purpose of complying with Section 409A of the Code may be made by the Company without the consent of any Participant.

12.4 Repricing and Backdating Prohibited. Notwithstanding anything in this Plan to the contrary, except as provided under Section 4.3 and Section 12.1, neither the Committee nor any other person may (i) amend the terms of outstanding Options or SARs to reduce the exercise or grant price of such outstanding Options or SARs; (ii) cancel outstanding Options or SARs in exchange for Options or SARs with an exercise or grant price that is less than the exercise price of the original Options or SARs; or (iii) cancel outstanding Options or SARs with an exercise or grant price above the current Share price in exchange for cash or other securities. In addition, the Committee may not make a grant of an Option or SAR with a grant date that is effective prior to the date the Committee takes action to approve such Award.

12.5 Cancellation and Termination of Awards. The Committee may, in connection with any merger, consolidation, share exchange or other transaction entered into by the Company in good faith, determine that any outstanding Awards granted under the Plan, whether or not vested, will be canceled and terminated and that in connection with such cancellation and termination the holder of such Award may receive for each Share subject to such Award a cash payment (or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment) equal to the difference, if any, between the amount determined by the Committee to be the Fair Market Value of the Stock and the purchase price per Share (if any) under the Award multiplied by the number of Shares subject to such Award; provided that if such product is zero or less or to the extent that the Award is not then exercisable, the Award will be canceled and terminated without payment therefor.

12.6 Delay in Payment. To the extent required in order to avoid the imposition of any interest and/or additional tax under Section 409A(a)(1)(B) of the Code, any amount that is considered deferred compensation under the Plan or Agreement and that is required to be postponed pursuant to Section 409A of the Code, following the a Participant's Termination of Employment shall be delayed for six (6) months if a Participant is deemed to be a "specified employee" as defined in Section 409A(a)(2)(i)(B) of the Code; provided that, if the Participant dies during the postponement period prior to the payment of the postponed amount, the amounts withheld on account of Section 409A of the Code shall be paid to the executor or administrator of the decedent's estate within 60 days following the date of his death. A "Specified Employee" means any Participant who is a "key employee" (as defined in Section 416(i) of the Code without regard to paragraph (5) thereof), as determined by the Company in accordance with its uniform policy with respect to all arrangements subject to Section 409A of the Code, based upon the twelve (12) month period ending on each December 31st (such twelve (12) month period is referred to below as the "identification period"). All Participants who are determined to be key employees under Section 416(i) of the Code (without regard to paragraph (5) thereof) during the identification period shall be treated as Specified Employees for purposes of the Plan during the twelve (12) month period that begins on the first day of the 4th month following the close of such identification period.

Article 13

Withholding

13.1 Tax Withholding. Unless otherwise provided by the Committee, the Company shall deduct or withhold any amount needed to satisfy any foreign, federal, state, or local tax (including but not limited to the Participant's employment tax obligations) required by law to be withheld with respect to any taxable event arising or as a result of this Plan ("Withholding Taxes").

13.2 Share Withholding. Unless otherwise provided by the Committee, upon the exercise of Options, the lapse of restrictions on Restricted Stock, the vesting of Restricted Stock Units the distribution of Performance Shares in the form of Stock, or any other taxable event hereunder involving the transfer of Stock to a Participant, the Company shall withhold Stock equal in value, using the Fair Market Value on the date determined by the Company to be used to value the Stock for tax purposes, to the Withholding Taxes applicable to such transaction.

Any fractional Share of Stock payable to a Participant shall be withheld as additional Federal withholding, or, at the option of the Company, paid in cash to the Participant.

Unless otherwise determined by the Committee, when the method of payment for the Exercise Price is from the sale by a stockbroker pursuant to Section 6.8(c), herein, of the Stock acquired through the Option exercise, then the tax withholding shall be satisfied out of the proceeds. For administrative purposes in determining the amount of taxes due, the sale price of such Stock shall be deemed to be the Fair Market Value of the Stock.

If permitted by the Committee, prior to the end of any Performance Period a Participant may elect to have a greater amount of Stock withheld from the distribution of Performance Shares to pay withholding taxes; provided, however, the Committee may prohibit or limit any individual election or all such elections at any time.

Alternatively, or in combination with the foregoing, the Committee may require Withholding Taxes to be paid in cash by the Participant or by the sale of a portion of the Stock being distributed in connection with an Award, or by a combination thereof.

The withholding of taxes is intended to comply with the requirements of Rule 10b5-1(c)(1)(i)(B) of the Exchange Act to the extent permitted by law.

Article 14

Successors

All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 15

General Provisions

15.1 Minimum Vesting. Each Award shall have a minimum vesting period of one (1) year; provided that the Committee may determine in its sole discretion up to five percent (5%) of the Shares available for issuance under the Plan may be granted free of such minimum vesting requirements.

15.2 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

15.3 Reservation of Stock. The Company shall at all times during the term of the Plan and any outstanding Awards granted hereunder reserve or otherwise keep available such number of Shares of Stock as will be sufficient to satisfy the requirements of the Plan (if then in effect) and the Awards and shall pay all fees and expenses necessarily incurred by the Company in connection therewith.

15.4 Notification of Disposition. Each person exercising any Incentive Stock Option granted under the Plan shall be deemed to have covenanted with the Company to report to the Company any disposition of such Shares prior to the expiration of the holding periods specified by Section 422(a)(1) of the Code and, if and to the extent that the realization of income in such a disposition imposes upon the Company federal, state, local or other withholding tax requirements, or any such withholding is required to secure for the Company an otherwise available tax deduction, to remit to the Company an amount in cash sufficient to satisfy those requirements.

15.5 Unfunded Status of the Plan. The Plan is intended to constitute an “unfunded” plan for incentive compensation, and the Plan is not intended to constitute a plan subject to the provisions of ERISA. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Stock or payments with respect to Options, Stock Appreciation Rights and other Awards hereunder, provided, however, that the existence of such trusts or other arrangements is consistent with the unfunded status of the Plan.

15.6 Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan to the stockholders of the Company shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including without limitation, the granting of stock options and restricted stock other than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

15.7 Investment Representations. The Company shall be under no obligation to issue any shares covered by any Award unless the shares to be issued pursuant to Awards granted under the Plan have been effectively registered under the Securities Act of 1933, as amended, or the Participant shall have made such written representations to the Company (upon which the Company believes it may reasonably rely) as the Company may deem necessary or appropriate for purposes of confirming that the issuance of such shares will be exempt from the registration requirements of that Act and any applicable state securities laws and otherwise in compliance with all applicable laws, rules and regulations, including but not limited to that the Participant is acquiring the shares for his or her own account for the purpose of investment and not with a view to, or for sale in connection with, the distribution of any such shares.

15.8 Registration. If the Company shall deem it necessary or desirable to register under the Securities Act of 1933, as amended or other applicable statutes any Shares of Stock issued or to be issued pursuant to Awards granted under the Plan, or to qualify any such Shares of Stock for exemption from the Securities Act of 1933, as amended or other applicable statutes, then the Company shall take such action at its own expense. The Company may require from each recipient of an Award, or each holder of Shares of Stock acquired pursuant to the Plan, such information in writing for use in any registration statement, prospectus, preliminary prospectus or offering circular as is reasonably necessary for that purpose and may require reasonable indemnity to the Company and its officers and directors from that holder against all losses, claims, damage and liabilities arising from use of the information so furnished and caused by any untrue statement of any material fact therein or caused by the omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances under which they were made. In addition, the Company may require of any such person that he or she agree that, without the prior written consent of the Company or the managing underwriter in any public offering of Shares of Stock, he or she will not sell, make any short sale of, loan, grant any option for the purchase of, pledge or otherwise encumber, or otherwise dispose of, any shares of Stock during the 180 day period commencing on the effective date of the registration statement relating to the underwritten public offering of securities. Without limiting the generality of the foregoing provisions of this Section 15.8, if in connection with any underwritten public offering of securities of the Company the managing underwriter of such offering requires that the Company’s directors and officers enter into a lock-up agreement containing provisions that are more restrictive than the provisions set forth in the preceding sentence, then (a) each holder of shares of Stock acquired pursuant to the Plan (regardless of whether such person has complied or complies with the provisions of clause (b) below) shall be bound by, and shall be deemed to have agreed to, the same lock-up terms as those to which the Company’s directors and officers are required to adhere; and (b) at the request of the Company or such managing underwriter, each such person shall execute and deliver a lock-up agreement in form and substance equivalent to that which is required to be executed by the Company’s directors and officers.

15.9 Placement of Legends; Stop Orders; etc. Each share of Stock to be issued pursuant to Awards granted under the Plan may bear a reference to the investment representation made in accordance with Section 15.1 in addition to any other applicable restriction under the Plan, the terms of the Award and to the fact that no registration statement has been filed with the Securities and Exchange Commission in respect to such shares of Stock. All shares of Stock or other securities delivered under the Plan shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of any stock exchange upon which the Stock is then listed, and any applicable federal or state securities law, and the Committee may cause a legend or legends to be put on any certificates or recorded in connection with book-entry accounts representing the shares to make appropriate reference to such restrictions.

15.10 Uncertificated Shares. To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by Applicable Law.

15.11 Other Compensation Arrangements. Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

Article 16

Legal Construction

16.1 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

16.2 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

16.3 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to Applicable Law and to such approvals by any governmental agencies or national securities exchanges as may be required.

16.4 Errors. At any time the Company may correct any error made under the Plan without prejudice to the Company. Such corrections may include, among other things, changing or revoking an issuance of an Award.

16.5 Elections and Notices. Notwithstanding anything to the contrary contained in this Plan, all elections and notices of every kind shall be made on forms prepared by the Company or the General Counsel, Secretary or Assistant Secretary, or their respective delegates or shall be made in such other manner as permitted or required by the Company or the General Counsel, Secretary or Assistant Secretary, or their respective delegates, including but not limited to elections or notices through electronic means, over the Internet or otherwise. An election shall be deemed made when received by the Company (or its designated agent, but only in cases where the designated agent has been appointed for the purpose of receiving such election), which may waive any defects in form. The Company may limit the time an election may be made in advance of any deadline.

Where any notice or filing required or permitted to be given to the Company under the Plan, it shall be delivered to the principal office of the Company, directed to the attention of the General Counsel of the Company or his or her successor. Such notice shall be deemed given on the date of delivery.

Notice to the Participant shall be deemed given when mailed (or sent by telecopy) to the Participant's work or home address as shown on the records of the Company or, at the option of the Company, to the Participant's e-mail address as shown on the records of the Company.

It is the Participant's responsibility to ensure that the Participant's addresses are kept up to date on the records of the Company. In the case of notices affecting multiple Participants, the notices may be given by general distribution at the Participants' work locations.

16.6 Governing Law. To the extent not preempted by Federal law, the Plan, and all awards and agreements hereunder, and any and all disputes in connection therewith, shall be governed by and construed in accordance with the substantive laws of the State of Delaware, without regard to conflict or choice of law principles which might otherwise refer the construction, interpretation or enforceability of this Plan to the substantive law of another jurisdiction.

16.7 Venue. The Company and the Participant to whom an award under this Plan is granted, for themselves and their successors and assigns, irrevocably submit to the exclusive and sole jurisdiction and venue of the state or federal courts of Delaware with respect to any and all disputes arising out of or relating to this Plan, the subject matter of this Plan or any awards under this Plan, including but not limited to any disputes arising out of or relating to the interpretation and enforceability of any awards or the terms and conditions of this Plan. To achieve certainty regarding the appropriate forum in which to prosecute and defend actions arising out of or relating to this Plan, and to ensure consistency in application and interpretation of the Governing Law to the Plan, the parties agree that (a) sole and exclusive appropriate venue for any such action shall be an appropriate federal or state court in Delaware, and no other, (b) all claims with respect to any such action shall be heard and determined exclusively in such Delaware court, and no other, (c) such Delaware court shall have sole and exclusive jurisdiction over the person of such parties and over the subject matter of any dispute relating hereto and (d) that the parties waive any and all objections and defenses to bringing any such action before such Delaware court, including but not limited to those relating to lack of personal jurisdiction, improper venue or forum non conveniens.

16.8 409A Compliance. It is intended that all Awards issued under the Plan be in a form and administered in a manner that will comply with the requirements of Section 409A of the Code, or the requirements of an exception to Section 409A of the Code, and the Award Agreement and this Plan will be construed and administered in a manner that is consistent with and gives effect to such intent. The Committee is authorized to adopt rules or regulations deemed necessary or appropriate to qualify for an exception from or to comply with the requirements of Section 409A of the Code. With respect to an Award that constitutes a deferral of compensation subject to Section 409A of the Code: (i) if any amount is payable under such Award upon a termination of service, a termination of service will be treated as having occurred only at such time the Participant has experienced a "separation from service" as such term is defined for purposes of Section 409A of the Code; (ii) if any amount is payable under such Award upon a disability, a disability will be treated as having occurred only at such time the Participant has experienced a "disability" as such term is defined for purposes of Section 409A of the Code; (iii) if any amount is payable under such Award on account of the occurrence of a Change in Control, a Change in Control will be treated as having occurred only at such time a "change in the ownership or effective control of the corporation or in the ownership of a substantial portion of the assets of the corporation" has occurred as such terms are defined for purposes of Section 409A of the Code, (iv) if any amount becomes payable under such Award on account of a Participant's separation from service at such time as the Participant is a "specified employee" within the meaning of Section 409A of the Code, then no payment shall be made, except as permitted under Section 409A of the Code, prior to the first business day after the earlier of (y) the date that is six months after the date of the Participant's separation from service or (z) the Participant's death, (v) any right to receive any installment payments under this Plan shall be treated as a right to receive a series of separate payments and, accordingly, each installment payment hereunder shall at all times be considered a separate and distinct payment, and (vi) no amendment to or payment under such Award will be made except and only to the extent permitted under Section 409A of the Code.

Notwithstanding the foregoing, the tax treatment of the benefits provided under the Plan or any Award Agreement is not warranted or guaranteed, and in no event shall the Company be liable for all or any portion of any taxes, penalties, interest or other expenses that may be incurred by the Participant on account of non-compliance with Section 409A of the Code.

16.9 No Obligation to Notify. The Company shall have no duty or obligation to any holder of an Option to advise such holder as to the time or manner of exercising such Option. Furthermore, the Company shall have no duty or obligation to warn or otherwise advise such holder of a pending transaction or expiration of an Option or a possible period in which the Option may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Option to the holder of such Option.
